SERMON STUDY QUESTIONS TO GO DEEPER

SERIES: CORE VALUES  SPEAKER: John Stevenson

Mission Focused

1. “Mission-Focused” is a core value of TCC. Does that seem like something for you to be involved in? Or is that for missionaries, and maybe people with a gift of evangelism? Do you have guilt or frustration about “mission”?

2. Read Genesis 1: 26-28 and Matthew 28:16-20. Is there a relationship between the commands for “ordinary” human beings in Genesis 1 and the “spiritual” activities in Matthew 28?

3. If you’re a Christ-follower, can you think of a time when an ordinary gift or activity (one not exclusive to Christ-followers) opened the door for Christ to act redemptively in someone’s life? What happened?

4. Take a few moments in silence to ask God where you have an opportunity to step forward in mission. If you’re going through these questions with a group, would you share this with the group and allow them to pray for you that God will use both your natural and spiritual gifts to advance his kingdom?
